## Silkscreen Printing

We silkscreen print using water-based inks including metallics, fluorescents and glow-in-the-dark. We specialise in high quality small run printing for professionals and the public, and fine art editioning; producing fine art prints for artists and galleries. Using a massive range of coloured and specialty papers, including Somerset and Colorplan, and the latest technology, we achieve extremely fine detail and text. Contact us for a bespoke quote. These guide prices are per unit, and include Colorplan paper and finishing.

The Henningham Family Press is like a microbrewery for fine art prints and books.

Our Studio is where we collaborate with other artists and writers. Our work has taken us to places like Berlin, Bergen, Oslo, Gent, UCLA, Christie's, the Tate, the British Library and the BBC.

Our Studio is where we do all our own Binding, Silkscreen Printing, Foil Debossing, and large format Inkjet Printing. And as artists we offer our expertise and skills to galleries, businesses, architects, institutions and the general public.

“Stationery, albums or books printed to exacting and high-quality standards. Their own literature, beautifully bound and printed. The quality of the screen printing is exceptional.”
